Family First, Always

We're proud to have helped raise more than four generations of children on Evenflo products. Evenflo first launched as a manufacturer of baby feeding products in Ravenna, Ohio in the 1920s. More than 100 years later, families trust us more than ever for leading-edge safety, smart innovation, everyday convenience, and lasting comfort. We look forward to serving and delighting new generations of babies, kids, parents and caregivers.

Yu Nest is a leading wellness company specializing in premium nutritional products. With over a decade of experience, we initially focused on the export of high-quality bird's nest and herbs sourced across Malaysia. Expanding our offerings, we now provide a range of nourishing products including fish scale gelatin, chicken essence, peach gum, and freshly concocted bird's nest drinks. Our mission is to deliver natural, health-boosting solutions to customers, helping them live healthier, more vibrant lives.

At Offspring, we believe good care starts with the little things – from the ingredients we choose to the thoughtful details behind every product. Born from a desire to do better for babies with sensitive skin, we create plant-based baby care essentials held to uncompromising standards, so parents can feel good about every choice. From the first day through the first 1,000 days and beyond, we're here for every little moment that matters.
